

Dear fire fighters,

I would like to thank you all for saving my house in 2010 and 2011. I hope everybody gets a raise for all the work y'all have to do because that's hard to wake up at 12:00 and 1:00 for a house fire. The thing I wanted to say is thank you for everything you have done protect our country, our houses, and our environment from fires.
